

NorQuip
TRANSPORT

Transport you can trust.

**Buying, hiring or loaning equipment is one thing.
Getting to and from site is another.**

We deliver to sites throughout Queensland and are capable of delivering interstate.

NorQuip's fleet is purpose-built to deliver and service our equipment on site with minimal impact. We can also assist with the delivery of other items on request. Our fleet includes a tilt slide truck, vacuum trucks, 4x4 trucks and all-terrain forklifts to deliver to remote or difficult sites.

When it comes time for collection, we arrive onsite and remove waste prior to transporting equipment. This is essential, and our fleet gives us the ability to do that, even with just a single truck. Everything we do aims to make your job easier.

Canter Service Vehicle

With our 4x4 Canter Vacuum Truck, we are able to service and deliver to remote or difficult to access areas. This truck is designed to carry out complete portable toilet servicing, from waste removal, water and consumable restock and complete sanitised clean.
